Hey what's that?

Giant Games:

Human Hungry Hungry Hippo: Life size version of the board game. People are the hippos laying on their stomachs on a wheeled scooter while partner is holding onto their ankles to direct them. Goal is to try to get the most balls

Giant Pong: Substitute red solo cups with 5 gallon buckets and ping pong balls with whiffle balls. Goal is to make all your buckets before the other team does

Giant Connect 4: Just like old school Connect 4 just HUGE. Get four of your color pucks in a row before your opponent

Giant Bowling: 10 inflatable pins and one giant inflatable bowling ball. Standard bowling rule apply!

Competition Games:

Kan Jam: 2 teams of 2 play against each other throwing a Frisbees towards a plastic trashcan. Gain 1 point for a teammate knocking the Frisbee into the side of the kan, 2 points for hitting the side of the kan straight from your throw, or 3 points for hitting the Frisbee into the top of the kan. If you make it through the slot opening it is an instant win. Play to 21.

Corn Hole: 2 teams of 2 toss bags at the other board to gain points. 3 points for making it in the hole, 1 point for landing on the board. First team to 21 wins!

Upset: Take turns tossing small bean bags into your buckets. Try to knock opponents bean bags out of their buckets. (Kid version of Corn hole)

Flimsee Sticks: Teams of 2 take turns throwing the Frisbee between the sticks for 2 points, knock the cup off for 1 point. First team to 21 wins!

Spike Ball: Teams of 2 bounce the ball off the trampoline to each other then spike to the other team so they can't pass the ball back. First team to 21 wins!

Rollors: Mixture of lawn bowling, bocce and horseshoes. Points gained based off of the numbers on the face up disks. Play to 21!

Bocci Ball: Players take turns tossing the small target ball in various locations. After the target ball is tossed, the object of the game is to get your 3 bigger/heavier balls closer to the target than your opponent.
